**Subject:** Chemstation Updates

Hi,

Agilent would like to do the Chemstation upgrades (4 GCs & 2 GC/MSs) on July 15<sup>th</sup> & 16<sup>th</sup>.

Mike & Warren – Can we have the computers set up by then?

Chuck & Pete – Are these dates okay for you? My guess is that they'll want to do 2 GCs and 1 GC/MS each day, but I will let them know what you want done.

Please let me know by Thursday so that I can confirm things with Agilent. If you'd all like to meet, just let me know. Thanks.

Also, it looks like we can't get the Chemstation reinstall done on the 1 GC until August. I'll work on that, but it may get bundled with the reinstalls on the CT/ENV side. I will let you know.

Bruce
